Marc Bachraty is a long-time student of Christian Tissier, often travelling with him as uke (see Bercy videos on YouTube). He is devoted full time to Aikido, running his own dojo in Clamart, teaching Tissier's classes in Vincennes when Tissier is out travelling, as well as holding numerous seminars throughout France and Europe. Demanding but attentive, generous and giving, he has developed an aikido that is rigorous, dynamic, fluid and aesthetic.
