Marc Bachraty is a long-time student of Christian Tissier, often travelling with him as uke (see Bercy videos on YouTube). He is devoted full time to Aikido, running his own dojo in Clamart, taught Tissier's classes in Vincennes when Tissier was out travelling, as well as holding numerous seminars throughout France, Europe and the world. Demanding but attentive, generous and giving, he has developed an aikido that is rigorous, dynamic, fluid and aesthetic.
